

Zevinsca Jodie

Front-End Web Developer

Passionate about developing modern, responsive websites with clean and efficient code using HTML, CSS, and JavaScript.

About Me

Front-end developer with ~2 years of experience focused on building responsive layouts using HTML and Tailwind CSS.

Still learning JavaScript, backend, and coding fundamentals-always improving through projects.

Loves turning designs into functional websites and adding polish through attention to detail.

When not coding, often tweaking styles, watching tutorials, or experimenting with layouts.
